

WELCOME & ANNOUNCEMENTS SUGESTED SCRIPT

Good morning! My name is _____ and I am (identify your role at FPS). We are happy that you have chosen to join us this morning.

If you're a newcomer, please fill out the green Visitor Card you'll find in the pew rack where you're seated. Drop that in the basket during our morning offering and we'll be happy to add you to our newsletter mailing list.

Join us downstairs for coffee and conversation after the service, and stop by our Welcome Table with the bright banner so we can answer any questions about First Parish or Unitarian Universalism.

We'd love to greet you more personally, if you are a new here. So I invite you to stand now, if you're willing, and share your name and where you're from ... (Repeat names from the pulpit, so that everyone can hear ...)

There are a few announcements ...

I ask you to please respect this sacred space and time by silencing your phones, pagers and other noise-making devices. In particular, any BlackBerries, iPhones, or other dataphones should be switched off to allow everyone to participate fully in our services.

Let us worship together.
